

8th Annual Mayor's Charity Golf Classic

2008 Sponsorship Package

Please join us on Monday, August 11th, 2008 at the Carleton Golf and Yacht Club for the 8th Annual Mayors' Charity Golf Tournament. The tournament's proud tradition of raising funds to help youth in Ottawa continues in 2008.

Child & Youth Friendly Ottawa (CAYFO) focuses on children and youth in Ottawa. CAYFO works hard to create opportunities for youth to become engaged, inspired, to be heard and to support their fellow youth. We create opportunities for youth to shine, through our Spirit of the Capital youth awards. We encourage their efforts to assist those most vulnerable through our giving programs and we create an environment that allows youth to act on their ideas and make a difference both locally and globally.

All proceeds from the Mayors Annual Charity Golf Classic go towards our programs. Our website www.cayfo.ca has details on them all.
